

MATERIAL SAFETY DATA SHEET**EcoVie****1. Product Identification**

Description: A hydrated suspension of concentrated minerals in a mix of particle sizes that include all micro nutrient and macro nutrient minerals.

Chemical formula: Macro nutrient and micro nutrient as variously sized particles.

Product Code: EcoVie Product 0002

Manufacturing Location: 979 Jensen Rd, Paso Robles CA 93446

2. Composition/Information on Ingredients

Ingredient	Percent	Hazardous
Water Artesian - Sequoia Aquifer	99.14% by weight	No
Mineral Solids	.86% by weight	No

3. Hazards Identification

Hazardous components (specifically chemical identity, common names, OSHA PEL / ACGIH TLV, other limits recommended % optional): **NONE**

SAF-T-DATA RATING

HEALTH RATING: 0

NON REACTIVE

FLAMMABILITY RATING: 0

NON FLAMMABLE

REACTIVITY RATING: 0

SAFE TO HANDLE

CONTACT RATING: 0

NON CORROSIVE

4. Fire and explosion hazard

Non Flammable

5. Handling and Storage

Non-toxic, safe to the environment, if spilled wipe up with towel

Keep sealed in a cool, dry place in the dark if possible

6. Exposure Control/Personal Protection

Non-toxic, Non corrosive, Non reactive

7. Physical and Chemical Properties

Appearance	Mocha pale brown
Odor:	NONE
Solubility	Suspends in water
pH:	pH 7.5 – pH 8.5
% volatiles by volume@ 21C (70F) :	NONE
Boiling point:	100C – 212F
Melting point:	NONE
Vapor density:	NONE
Vapor Pressure:	NONE
Evaporation rate:	NONE

8. Stability and Reactivity

Stability:	Stable
Incompatibilities:	NONE
Conditions to Avoid:	Heat, direct sunlight, desiccation

9. Ecological Information

Environmental Fate:	Ecologically safe
Environmental Toxicity:	Non-toxic to plants, animals and invertebrates.
